## **Rybovich Superyacht Marina Selects Albury Brothers**

RIVIERA BEACH, FL (May 15, 2017) - Albury Brothers Boats has been selected to build a new 33 ft Albury Brothers boat to be christened "Rybo-Life" for Rybovich Superyacht Marina. Albury Brothers will commence construction in July with delivery set for the Thanksgiving Holiday. Until the 33 is complete, Albury Brothers has provided Rybovich with this 27' from their Charter fleet:

The "Rybo-Life" will be docked in front of the Cafe' and used to for a variety of community, corporate and marina purposes. Fred Gushue of Rybovich said "We could have selected any boat but we chose Albury Brothers as they are a valued local community partner"

Jeff Lichterman, President of Albury Brothers said, "We are honored to be associated with, and chosen by Rybovich"

Albury Brothers builds sea-kindly center console outboard boats ranging from 18.5 to 33 feet. These limited production, semi-custom boats are built in Man O' War, Bahamas and West Palm/Riviera Beach, Florida. Albury Brothers also has a seasonal office at Newport Shipyard in Rhode Island.

Rybovich is a full service superyacht marina and service facility located in West Palm Beach and Riviera Beach, Florida with direct and unobstructed access from the Atlantic Ocean. Rybovich provides secure and sheltered berths for yachts and superyachts up to 100 meters in length. The Marina offers first class yacht facilities and unrivalled shore side amenities. Rybovich operates as an environmentally friendly, certified Florida Clean Marina.
